Dear Family,

Girl Scouting offers a carefully balanced program of fun and learning. The program grows as your Girl Scout grows. Parents, grandparents, aunts, uncles, friends can help the adult in charge by volunteering their time, talents and assistance whenever possible.

All families are asked to:

- o Attend a meeting to assist whenever possible and complete a Volunteer Application.
- o Be aware of Girl Scout activities by reading forms and letters sent home.

And may be asked to:

o Provide a snack on a rotating basis.

If possible, adult family members are asked to consider:
