CEO Greeting

Thanks so much for making the decision to join the Girl Scout movement. Your service in support of our mission to build girls of courage, character, and confidence who make the world a better place is very much appreciated. By volunteering with Girl Scouts of Michigan Shore to Shore, you will make a positive impact on the lives of girls in our communities.

Serving as a Girl Scout leader is a commitment to helping girls become the best that they can be through a thoughtful and engaging Girl Scout experience. By creating a welcoming, safe, and interesting environment for your Girl Scouts, you are allowing them to learn, grow, and develop skills that will benefit them for years to come.

Girl Scouting is designed to be girl-led which teaches girls to develop planning and critical thinking skills, both essential to leadership. With your guidance, girls will take the lead in selecting what they do as a troop-from which badges and Journeys they earn, to what to eat on their first camp-out together, to determining what to do with the cookie money they've earned. Through this process, you'll be teaching them collaboration, teamwork, and how to effectively advocate for their ideas. This may be one of the most essential of the leadership skills.

Thanks so much for your contribution to the Girl Scout mission and for partnering with us to build girls of character, courage, and confidence who make the world a better place.

Today, you are helping to develop the leaders of tomorrow. You are making a difference!

In gratitude,

Vivian TerMaat

Getting Started

New leaders often spend the first few weeks getting started and setting up their troop. Be sure to use your **CHECKLIST** on page 4 of this guide.

Setting up your Troop

Your Placement Specialist will reach out to you to set up this information in the membership system.

The number of girls to expect in your troop

As a new troop, you can expect to have 12 girls. Research has found this is the 'sweet spot'-small enough to encourage individual development and large enough to provide an interactive and cooperative learning environment. If your troop doesn't have enough girls assigned or you would like a larger group, GSMISTS is here to help you!

Looking to grow your troop more?

As a leader, you can make sure your troop is available in the Troop Catalog for new members to register at will. You can also share a direct link for new families to register directly in your troop through your MY GS account. Adults and girls alike can join your troop this way. If you would like help growing your troop, contact your Placement Specialist at any time throughout the year. Your troop will be displayed in the Troop Catalog until it has 12 girls in it. You are always welcome to grow the troop beyond 12 girls as long as there is the appropriate adult to girl ratio.

Meeting Location and Times

Remember, set meeting times that work with your schedule! You will need to choose a location for regular meetings—a local park, library, school, private homes—the troop can meet anywhere that follows the Girl Scout safety guidelines. You will also need to decide what day of the week and how often the troop will meet. Most of our troops meet twice a month. So, think about what day, which weeks of the month and the time-frame (1, 1 ½ or 2 hours)—right after school, weekday evening, or weekend.

Troop Interests/Goals/Personality

Also, think about what your troop will want to accomplish this year. What are some goals? Will the troop focus on one theme for the year? Every troop has a unique 'personality.' Let us know anything that is special about your troop! Will the girls speak a different language? Include girls with disabilities or learning differences? Do all the girls enjoy a specific sport or activity?

Building an Inclusive Troop

Establishing an inclusive environment that welcomes every girl, fosters a sense of belonging and provides a safe space for everyone should be a top priority. Girls have a better experience when they are warmly welcomed into a troop.

Training

New leaders are required to complete GSMISTS New Leader Training within 60 days. This learning path can be found in gsLearn, accessed through your MY GS account. Troop Finance Training must be completed before a troop bank account can be opened.

If your troop plans to go on outings and trips, at least one registered and approved Girl Scout volunteer will need to take an approved First Aid/CPR class.

Additionally, once your troop is ready to plan a campout, you will need to have at least one registered and approved Girl Scout volunteer take Troop Camping Skills training.

Leading Together

Each troop needs two unrelated adults who are Girl Scout members and have completed a background check to be able to meet. A friend, neighbor, co-worker, another parent are all great people to lead a troop with. If you need assistance recruiting an assistant leader, talk to your Placement Specialist or Community Membership Manager.

Before meeting with parents/caregivers or the girls, you will want to get together and make some decisions about your troop. Once you have your parent/caregiver meeting you will include them in these decisions.

- Meeting logistics: When, where, how frequently and how long will the troop meet?
- The troop: Will the troop have girls in one grade or many?
- What kind of help will the troop need from parents/caregivers?
- How will you handle your own Girl Scout(s) during troop activities?
- What type of communication will you use with the troop families?
- Troop finances: Will you have regular troop dues, a troop start-up fee? Who will be on the troop bank account?
- What would you like the troop uniform components to include? Will the leaders purchase for everyone with troop funds or will parents need to get this on their own?
- Plan out the parent/caregiver meeting.

Working with Parents/Caregivers

Unlike many other activities, a Girl Scout troop needs parent and caregiver support to thrive!

Parent/Caregiver Meeting Agenda

- Welcome and introductions to one another and to the Girl Scouts. Ask about each girl and get to know her a little.
- Share how important each family will be to the troop.
- Discuss meeting location, day and times, uniforms and troop dues (you may want to collect at the meeting).
- Set expectations for communication and response times and how parents/caregivers can get involved to help the troop.
- Have parents/caregivers complete health history forms and annual permission forms. Share contact info for all troop members.
- Discuss the types of activities the troop will participate this year (regular meetings, outings, events, camping trips).
- Answer any questions the parents/caregivers may have.

Helpful Tips for your Parent/ Caregiver meeting!

- 100% of troops with the most satisfied parents and leaders report they hold a Parent/ Caregiver Meeting
- Don't try to do this alone! Check out the Appendix of the electronic version of the *New Leader's Guide* for more information and tools to help get parents/caregivers involved.
- If Girl Scouts will attend this meeting, have a craft or simple activity to keep them engaged.

Parents and other family members can take an active role in supporting their Girl Scout's experience.

The list below explains a number of roles your troop can use throughout the year.

Help Needed	Description
Assistant Troop Leader	Partner with leader to provide regular support for all troop activities. Must be a member, background check, and training required.
Troop Helper/ Drivers	Assist leaders at meetings with activities. Drivers help drive girls to meetings and activities. Membership and background check required.

If you have a talent not represented on this list, speak up and offer to share with the troop. From song and skit leaders to photographers, hobby experts, firewood suppliers and more, there is a place for you to volunteer with your Girl Scout troop. The help and engagement of every parent/caregiver is important to the growth of the troop!

How Many Volunteers Do You Need?

The adult supervision rule at Girl Scouts is a strict standard that requires whenever girls meet, whether in person or virtually, there must be at least two registered, approved adult volunteers who are unrelated (for example: not a sibling, spouse, domestic partner, parent, child, or anyone who would be considered a family member) and who do not live in the same residence with a minimum of one who is female. This applies to every Girl Scout gathering. There are no exceptions to this rule.

Use the table to identify how many volunteers you need based on the number of girls participating:

	TROOP ME	ETING	FIELD T	RIP
	The adult-to-girl ratio is two unrelated volunteers, including one female, for up to this number of girls:	There should be one extra volunteer for every additional:	The adult-to-girl ratio is two unrelated volunteers, including one female, for up to this number of girls:	There should be one extra volunteer for every additional:

Safety Responsibilities for Girls

Girls who learn about and practice safe and healthy behaviors are likely to establish lifelong habits of safety consciousness. For that reason, each Girl Scout is expected to:

- Assist you and other volunteers in safety planning.
- Listen to and follow your safety instructions and suggestions.

- Learn and practice safety skills.
- Learn to "think safety" at all times and to be prepared.
- Identify and evaluate an unsafe situation.
- Know how, when, and where to get help when needed.
- Practice the "Buddy System" when participating in troop activities.

Let's Go! Your First Troop Meeting

Your first troop meeting is a great chance to get to know the girls and brainstorm all the exciting things they want to do in the year to come. If you're feeling a little nervous about leading troop meetings and experiences with your girls, that's OK!

It doesn't need to be perfect. Did an activity run over time? Or, maybe an outing didn't go according to plan? Take a deep breath, roll with the changes, and have fun! The girls aren't expecting perfection from you: your time, attention, and guidance are the best part of your leadership.

Learn with your girls. Keeping activities girl-led also means that at some point, the girls will want to earn a badge or complete a project in a subject unfamiliar to you. Don't let that hold you back. Be open with the girls and when you don't know something and that you will be learning together. You'll show them that learning is a lifelong process and that with an open mind, they can overcome any challenge that comes their way.

Six Elements of a Great Troop Meeting

The only requirement for your troop meetings is that your girls are engaged and having fun! Many leaders use this basic structure for troop meetings:

- 1. Ramp Up-Plan an opening activity for girls to do upon arrival at the meeting so they have something to do before the meeting begins. Plan about five minutes for this, it could be snack, or creating a thank you card, coloring a page to donate, etc.
- 2. Opening-Each troop decides what they will do regularly. Most begin with the reciting the Girl Scout Promise & Law, a song, game, story, or other activity designed by the girls. Plan 5-10 minutes for this.
- **3. Troop Business**-Take attendance, make announcements or plan upcoming activities while parents may be present.

- **4. Let the fun begin!** This is your activity for the meeting, work on a badge, Journey, or complete other activities during this time. Plan 30 minutes to 1 hour for this.
- **5. Clean Up**-Girls clean up all supplies and always leave a place cleaner than they found it. Plan about 5 minutes.
- **6. Closing**-As a troop, girls decide how they will end each meeting-a song, a game, a Girl Scout tradition. Plan 5-10 minutes for this.

Got Snacks?

Snacks are optional, but if your troop has chosen to include snacks, guide families to consider healthy snacks and always share any food allergies the girls in your troop may have.

Cover the basics. Review the details about

when and where the meeting will take place

First Meeting Checklist

and make sure parents/caregivers are aware.
Get ready. Use the VTK to verify your troop roster and email parents. This might be a great time to remind parents to send health history forms, uniform orders, and troop dues to the meeting.
Know the agenda. Refer to the 6 Elements of a great Troop Meeting list and your meeting agenda/plans.
Review and practice your agenda. You'll feel calmer during the actual meeting and ready to make adjustments as needed.
Prepare for Fun! When the girls and parents/caregivers see that you're prepared for the meeting and ready to have a great time, they'll follow your lead!

Troop Budgets

Keeping good financial records is a must! Keep receipts and track troop activity costs. Troops should share financial information with parents 2-3 times a year. When planning, make sure to keep the troop budget in mind and to save money to help fund next year's activities, too.

Troop Dues

Most troops have troop dues and/or troop start-up fees. Make sure to be flexible with families when collecting troop monies. Troop dues/fees should be just enough to cover the cost of supplies, activity fees and badges/patches. If troop dues are collected, Girl Scouts shall not be excluded from any activities regardless of their ability to pay troop dues.

Money Earning

- A troop's primary money earning should come from the GSMISTS Fall Product Program and Cookie Program.

Product Program 5 Skills + Financial Literacy

Each year, troops have two opportunities to participate in council sponsored money earning activities: the Fall Product Program and the Girl Scout Cookie Program. Each of these programs offer girls and troops the opportunity to earn funds to power their Girl Scout adventures, as well as rewards to keep girls engaged and motivated.

Through their participation in product programs, girls are able to launch their very own businesses while learning important life skills along the way:

Goal Setting

Decision Making

Money Management

People Skills

Business Ethics

There are also Cookie Business Badges that help troop volunteers guide girls on this journey to developing their confidence in having a voice to set their goals, decide what they want to do with the money earned and understanding how to successfully run their Cookie Program.

- With the support of a volunteer in your Service Unit and the council Product Program team, you will be connected to resources and support to ensure that you and your troop have everything that you need to have a successful experience.
- It's important to remember that any funds earned through money earning activities become property of the troop as a whole to further the Girl Scout experience.
- It must also be a girl-led decision on how these funds should be spent. Troop funds can be used towards meeting supplies, badges, outings and activities, camping, experiences, and more.

Fall Product Program | October

This is a great way to get girls and families comfortable with participating in council sponsored money earning activities.

- **What:** Girls sell nuts, candy and magazines online to family and friends.
- How: Customers can select to have their order delivered by the Girl Scout or shipped directly to them. Products to be delivered by girls will arrive in November for distribution to girls and families.
- **Why:** Troops earn 10% of total sales and girls earn awards based on dollars sold.

Cookie Program | January - March

The Girl Scout Cookie Program is the largest girl-led entrepreneurial program in the world! The bulk of the troop's funds are earned through girls' participation in the Cookie Program and it's where they truly get to put the 5 Skills they have learned into action.

- **What:** Girls sell cookies to customers near and far online, in-person, and at booth sales.
- How: Family and friends support their favorite Girl Scout by purchasing cookies to help her reach her goal. With the support of parents/ caregivers and troop volunteers, girls can also participate in booth sales at local grocery stores, restaurants and more.
- Why: Troops earn proceeds on each package of cookies sold and girls earn rewards based on the number of packages they sell.

Good communication is essential to a well-run

troop. It's a great idea to discuss how troop communications will be handled. Does everyone need to be in special troop Facebook group, an e-mail group, etc. Will you make phone call reminders or text? Be sure to include response expectations in this conversation. A good idea is to always provide a deadline for communication responses. Do you have a parent who will be the designated communications person?

It's also important to keep an open and honest communication line with parents regarding behavior and/or special needs of girls and the troop.

Girl Scout Traditions

Hand Sign-Raise three fingers of the right hand with the thumb holding down the pinky. The 3 fingers represent the 3 parts of the Promise.

Handshake-Shaking hands with the left hand and make the GS sign with the right hand. The left hand is nearest to the heart and signifies friendship.

Friendship Circle–The unbroken chain of friendship. Girl Scouts stand in a circle crossing their right arms over their left, and clasping hands with their friends on both sides.

SWAPS-Small tokens of friendship that girls often make and take to events or while traveling to swap with other Girl Scouts – "Special Whatchamacallits Affectionately Pinned Somewhere".

Kaper Charts-A chart dividing up troop responsibilities. Indicates all the jobs available and who is responsible during a meeting or a camp-out.

Keeping Girls Safe and First Aid Kits

Make sure a general first-aid kit is available at your troop meeting place and accompanies girls on any activity (including transportation to and from the activity). Please be aware that you may need to provide this kit if one is not available at your meeting place. Purchase a Girl Scout first-aid kit, you can buy a commercial kit, or you and the girls can assemble a kit.

Girl Scout activity insurance forms, permission forms, and health histories should be included as well. Check the kit regularly. Make sure the flashlight batteries work. Check expiration dates and replace any used or out-of-date contents.

Items to include:

- Adhesive bandages
- Sterile gauze pads
- Antibiotic ointment packets
- Hydrocortisone ointment packets
- Antiseptic wipe packets
- Non latex gloves
- Instant cold compress

Always keep your kit and GSMISTS Emergency Procedures with the troop at all times.

Ready, Set, Take Action

Community Service and Take Action Projects

Make the world a better place. For over 110 years, Girl Scouts have been encouraged to do anything they set their sights on and as a result, Girl Scouts continue to make an impact locally and globally.

Community Service Projects

Community service projects address an immediate need in the community and are appropriate for every Girl Scout–Daisy through Ambassador! A great definition of community service is, "Community service makes the world a better place for some people right now."

Take Action Projects

Take Action projects transform a community service project into a long-term, lasting impact for the community. With Take Action projects, girls are challenged and encouraged to research, plan, and lead projects that tackle the root of a local, national, or global problem. Girls think bigger and are encouraged to solve and address the problem in a way that will prohibit the problem from reoccurring. Take Action projects aim for long-term benefits that change the world in a meaningful, measurable, and sustainable way!

What is Take Action?

Girls will create and carry out a Take Action project with every Journey they complete. The Girl Scout Bronze, Silver, and Gold Awards all require the completion of a Take Action project.

Overview of Take Action

A Take Action project is a chance for girls to partner with others in their community to solve a problem. They learn about getting to the root causes of issues, mobilizing and engaging community members and volunteers, and striving toward creating a lasting change in their world. An important component is to understand and address the cause of a problem.

Girl Scouts must also make sure each project is sustainable and that the impact is measurable.

- **Sustainable:** Girls must make arrangements to ensure that the project creates lasting change and is not a one-time event. (Collaborate with community leaders and/or organization; creating relationships with mentors).
- Measurable: The success of the project can be determined based on the number of people the project helped, the number of people who were involved, any reduction in the community's need, and other concrete numbers.

Steps of a Good Take Action Project

- 1. Girls identify assets and needs in a community.
- 2. Girls reach out beyond their circle to meet others. Try to meet people affected by your issue and people who are trying to solve it.
- 3. Girls make a decision about what they will take action on.
- 4. Girls learn the steps needed to carry out a Take Action Plan.
- 5. Girls assist with project logistics.
- 6. Girls take action alongside community members.
- 7. Girls reflect on their action and assess what they gained from it.
- 8. Girls celebrate their community accomplishments.

Meeting as a Troop

Your Troop Year at a Glance

We have found that troops who meet at least twice a month have the best experience! Make sure you mix it up and that meetings and outings capture the interests of the girls in your troop! A troop isn't just about earning badges or Journeys, it really about making sure that the girls are making age appropriate decisions and having fun. To that end, you will want to weave a variety of activities into your Girl Scout year. Girls will enjoy getting outdoors, performing community service, going on outings and just hanging out together having fun and having new experiences. Two pieces of advice: keep it girl-led and keep it fun!

To help you create a well-rounded year in Girl Scouting, set up your troop calendar in your Volunteer Toolkit.

Troop Leader Blueprint-Find even more badges, Journeys and activities broken down to help you! Located on our website, the Blueprint has info on how to work with girls and their families to great ideas for icebreakers and games, meeting virtually and in person, and more.

Higher Awards

Once your troop becomes a Junior Girl Scout troop, they are able to complete the first level of our higher awards—**The Bronze Award**.

Girl Scout Juniors team up to make a difference in their community. They learn important leadership skills, discover new passions, and watch how seemingly small actions make a big difference. Girls may earn individually or as a troop. Earning the Bronze Award includes the completing of a Girl Scout Journey and a suggested 20+ hours of project planning, implementation and promotion.

Cadette Girl Scouts may earn the **Silver Award**, our second-highest award and Seniors and Ambassadors may earn the highest award, the **Gold Award**. For more information about these awards, visit our website **gsmists.org under Activities**, **Highest Awards**.

Planning Your Girl Scout Year

- Choose your dates-be sure to consider holidays and schedules.
- Decide how many Girl Scout meetings/ activities a month the troop will do.
- We recommend you start with the badges included in your New Troop Starter Kit.
- Decide how the troop will choose meeting topics and activities. Remember to keep it girl-led.
- Have a list of ideas for the girls to vote on doing and when to do each, or have the girls bring ideas to your meeting for a vote.
- Alternate regular meetings with fun outings or events.
- Include a wide variety of activities for the girls to participate in throughout the year.
- Keep it age appropriate.
- Other ideas to include

- STEM
- Outdoors
- Life Skills
- Entrepreneurship

4 Girl Scout Pillars

- Consider what the troop will do during inclement weather, illness, etc. Is virtual an option for your troop?
- Will the troop do one activity each month during the summer or be on a break?
- Remember to be flexible-be prepared for a meeting plan to run askew and adjust-keep it fun! If girls miss a meeting, it's okay. Making up a badge is voluntary.
- Take time to get to know the girls and their interests-make sure at least one meeting meets each girl's individual interests.
- As you plan your year, engage the parents/ caregivers with the girls-have each girl sign up to lead a meeting with her parent/caregiver, she chooses the badge/activity and you serve as their mentor.

MANAGING TROOP FINANCES

Girl Scouts of Michigan Shore to Shore is home to over 500 Girl Scout troops in 30 counties in Northern and Western Michigan. Because of our large geographic area and the differences in the practices of the different banking institutions holding troop and service units bank accounts, it is likely that some of the procedures may vary from one financial institution to another. We have tried to generalize about opening an account, but please contact your specific institution for their requirements. If you need additional information, please contact your GSMISTS First Year Troop Support Coordinator.

You will need **GSMISTS Corporate Resolution**, **GSMISTS IRS Determination Letter** along with your **Troop Bank letter** (all given to you by your GSMISTS First Year Troop Support Coordinator) to open a new bank account.

Your bank account will be titled:	
Troop # or	Service Unit Girl Scouts of Michigan Shore to Shore
Do NOT include your nam	e, address, or school/service unit information on your checks

Recommended Bank

Girl Scouts of Michigan Shore to Shore encourages the use of Huntington Bank for troop bank accounts. Use the bank locator below to find your nearest Huntington Bank.

FAQ's About Troop and Service Unit Bank Accounts

O. Do I have to open a troop bank account?

Yes. The troop needs to set up a bank account. If you're taking over an existing troop, you may inherit a checking account, but with a new troop, you'll need to open a new account.

Q. What documents do I need to present in order to open or change an account?

You will need a Bank Letter Packet, which includes GSMISTS Corporate Resolution, IRS Determination Letter, and Troop Bank letter. These documents give you permission to open a bank account under GSMISTS Council Tax ID number. Your financial institution may require other forms. You do NOT need to fill out an IRS W9 form. As a Girl Scout troop or service unit, you are tax exempt, and therefore a W9 is not required for the account. The Corporate Resolution "tells" the bank that the account is tax exempt and allows GSMISTS to have oversight on all accounts opened in the name of Girl Scouts.

Q. Who are the signers on the account?

Each bank account must have a minimum of two signers on it. The signers MUST be registered and approved adult volunteers of that troop or service unit. Some service units also require a service unit team member on the account.

Q. The bank wants to put my social security number on the account. What should I do? The bank requires a taxpayer identification number to open an account. Since this is a troop or service unit account and NOT a personal account, the taxpayer ID number associated with the account will be the council's Federal (or Employer) Tax ID number. DO NOT put your social security number on the bank account. Some banks may ask you for your social security number for identification purposes.

MANAGING TROOP FINANCES

Q. Can we use a debit card instead of checks?

Yes. Please be sure to track all debits to the account to assure the account does not become overdrawn.

O. Who receives bank statements?

Please remind the bank to send all monthly statements to the designated name on the account. The troop leader should keep the checkbook and debit card. The troop leader and assistant troop leader (or whoever the 2nd signer on the account is) should have access to the on-line banking and frequently check the account. Together, both signers should reconcile the account.

Q. Who will be responsible for any costs that may be involved in opening a new account?

There may be costs in updating or opening your bank account. It is our recommendation that any costs associated with updating your bank account or opening a new one be included in your troop budgeting process. We also recommend, if necessary, you purchase the minimum number of checks possible, and that you find the least expensive source of checks as possible. Remember to opt into electronic banking to avoid statement mailing fees.

Do's and Don'ts for Your Troop Bank Account

- **DO** record every transaction in the register as soon as it occurs and adjust the amount to/from the balance so that you always have an accurate record of the balance.
- **DO** follow the best practice of the second signee receiving the bank statements.
- **DO** balance the register upon receiving the monthly bank statement. Keep ALL bank statements.
- **DO** keep every receipt for every purchase and all paperwork for two years.
- **DO** make sure your deposits for the product programs equal the amount of product sold.
- **DO** keep the girls informed of the account balance and the income and expenses. This teaches them valuable lessons in money management.
- **DO** keep all receipts when money is being exchanged between parents and volunteers, volunteers and staff, etc. GSMISTS will not honor any exchange of money discrepancies without a receipt.
- **DON'T** write checks out for "cash" or to yourself and endorsed by you. This is a big "red flag" when the account is monitored.
- **DON'T** round-up your check or write a check for more than the amount of the purchase. This is also a "red flag."
- **DON'T** allow parents to be late with payments for the product programs. If you do not receive full payment on the due date, notify your Service Unit's Product Program Manager immediately.
- **DON'T** ever use your own personal money to pay for activities. All activities must be paid for out of troop funds.

The Value of a Parent/Caregiver Meeting

Girl Scouting provides the best opportunities for girls when families step up and play an active part in the troop. Without meaningful support from parents and caregivers, it's difficult for a troop to be all it can be. Plus, girls feel a special sense of pride when their families take part and show interest in the things they are doing!

So what is a Parent/Caregiver Meeting? It's the first meeting you have to start each troop year – whether you are a new or returning troop. It is valuable for *all* troops.

100% of troops with the most satisfied parents and troop leaders report they hold a Parent/Caregiver Meeting.

Why? Because it helps:

- Parents/Caregivers understand what Girl Scouting can do for their girl.
- Parents/Caregivers and leaders identify ways they will work as a team to support the troop.
- Parents/Caregivers and leaders agree on what the troop pays for and what families pay for individually.
- Fill key troop positions—you never know which parent will make an awesome assistant leader, troop cookie manager, etc.
- Parents/Caregivers know how the troop will communicate things like upcoming events, schedule changes, etc.
- Parents/Caregivers learn about uniforms, books, and other important basics.

Kicking off each year with a parent meeting sets the troop up for success. Outlining clear expectations, building a team, and engaging parents in the Girl Scout experience is a great way to start off on the right foot. When parents are involved, leaders have support, and the troop has a plan, girls benefit!

The best news? We've made it easy for you. Check out our Parent/Caregiver Meeting outline included in your New Troop Startup Kit. This meeting will make all the difference in the year ahead.

Sample Agenda for Girl Scout Parent/Caregiver Meeting

Below is a suggested agenda and time allotments for each portion of the meeting

10 minutes: Welcome/Introductions

- Thank everyone for coming
- Introduce yourself and other adults and girls helping you
- Share that you are volunteers
- Give a quick overview of what will take place

20 minutes: Presentation

- Start with the Girl Scout Promise and Law. Share with the parents/caregivers that this is the traditional way of starting a Girl Scout meeting.
- Explain the process of becoming a troop leader (completed a criminal background check, completed the adult membership, and participated in the required trainings)
- Explain the troop leader's role is to work with the girls but it is the girls' troop. The troop will do activities based on what the girls choose. Explain how Girl Scouts engages girls in discovering self, connecting with others, and taking action to make the world a better place.
- Registration
 - o Each girl must be registered in order to participate in Girl Scouts.
 - Explain that the \$25 Girl Scout registration fee paid when registering goes to GSUSA (Girl Scouts of the USA, our national organization) and covers insurance for each girl when participating in approved, supervised Girl Scout activities. None of the registration fee stays with GSMISTS or the troop. Financial assistance is available for the membership fee if needed.
- Troop Bank Account Explain that each troop has a bank account that will house Troop Dues, Product Program proceeds, etc. The money in this account will cover the cost of running a troop and belongs to the troop not to individual girls. The girls will take the lead on how the money will be spent. If anyone associated with the troop has any questions about the troop's finances, they are more than welcome to talk to the troop treasurer (if troop has one) or troop leader.
- Annual Permission and Health History Form Ask parents/caregivers to fill out the Annual Permission and Health History Form for their girl. This gives permission for your girl to participate in all Girl Scout meetings and activities listed on the form and allows the girl to be treated if anything should happen. It also lets you know if they have any allergies. This form is very important and must be turned into you by the first meeting and kept with you for ALL Girl Scout events and activities. The troop leader retains this document. It is not turned in to GSMISTS.
- Communicating with Families Share with the parents/caregivers the main form of communication you will be using (email, phone list, Facebook group, etc.). Remind the parents that being part of the troop means they are responsible for checking and reading communications from you.
- Getting Parent/Caregiver Support
 - Explain that the troop leaders and parents/caregivers will need to work together to support the troop. Be sure to stress that they will need to complete

- a criminal background check and register as a volunteer if they would like to assist directly with the troop (this includes driving girls and handling troop funds).
- o Send around the *Parent/Caregiver Involvement Form*. Let them know that the troop cannot meet unless you have the appropriate number of volunteers in attendance. Share which roles are the priority for having support.
- Program Information
 - o Explain that troop activities are supported through Product Program sales, troop dues, and money-earning activities. Explain what troop dues are and agree on an amount and how often will girls pay dues? (every meeting, once a month, or once a year)
 - o Uniforms are optional. Financial Assistance is available for uniform pieces.
 - o Share when/where and how often the troop will be meeting.
 - o Discuss how often communications will go out to troop parents/caregivers that detail troop updates, troop finance updates, and volunteer needs.

5 minutes: Q & A Session

10 minutes: Thanks and Next Steps

- If you have parents/caregivers who have girl(s) who are not registered Girl Scouts attending the meeting please allow time for them to complete the online registration. Remind parents/caregivers that girls will not be able to attend to the next meeting unless they are registered Girl Scouts.
- Remind parents/caregivers that if they want to volunteer with the troop, they must complete the online registration and criminal background check.
- Collect completed *Annual Permission and Health History Form*.
- Thank parents/caregivers for attending.

Ways to Support Your Girl Scout's Troop

Welcome to Girl Scouts, girls and parents! We are so excited to begin this wonderful journey together, exploring everything Girl Scouts has to offer! We'd also like to thank you for considering the ways you can support your girl and her troop leader this year. Your Girl Scout troop leader will handle many of the day-to-day details of your girl's troop. The troop leader has received substantial training and has been approved to serve as a troop leader after going through a screening process. Being a troop leader is a special job, but there are times when help and support may be needed. Here are a few ways you can help support your girl's troop and troop leader:

- Assist at a regular troop meeting
- Be a driver for a troop field trip
- Chaperone a troop overnight or campout
- Teach a new skill to the girls related to a badge or Journey

Because the role of a troop leader is such a special one, our goal is to ensure the right person is serving in that role. This requires volunteers to maintain a safe and nurturing environment to help build girls of courage, confidence, and character. We are committed to ensuring the safety of the girls first and foremost, so we require all new volunteers to be registered members of Girl Scouts and complete a criminal background check. GSMISTS covers the cost of the criminal background check. The guidelines below detail the steps involved.

- 1. Before assisting with any troop endeavors (including troop meetings), potential volunteers are required to register as a Girl Scout Member (\$25.00 annual fee) and complete and pass a criminal background check. To begin this process, simply register online. All volunteers are required to complete a criminal background check to help ensure safety.
- 2. If you will be driving for any troop trips or activities, you are required to have a valid driver's license, good driving record, and current auto insurance in addition to the criminal background check.
- 3. For certain family events, like picnics or award ceremonies, younger siblings (also known as Tag-A-Longs) are invited to attend. Troop meetings and field trips are just for the girls in the troop and their adult volunteers. If you are unsure whether Tag-A-Longs are allowed at a troop event, connect with you girl's troop leader for specific information.

SPRING AND SUMMER REMINDERS

Some troops reduce their activities once school is over, others continue since there are so many fun summer activities in Michigan for the girls! Since spring is such a busy time, here is a housekeeping checklist of items that need to be done before the new membership year.

Pick up the badges, patches, pins and membership stars. Order early! Many bridging ceremonies happen in May. Make sure you plan ahead as to what you might need for the end of the year. This will allow plenty of time in case items need to be ordered. You can order items directly from our website (gsmists.org) or call one of our Service Centers at 844-476-4787.
Your Girl Scouts finished one year of Girl Scouts, time to celebrate! Host a bridging activity and inform the girls about the next level of Girl Scouting. o This may include an awards ceremony to recognize all the girls' accomplishments and recognizing the volunteers that helped make it happen. Your service unit may hold a similar event on a bigger scale.
 Guide parents to renew their Girl Scouts and their membership online. Make sure to take advantage of Spring Renewal Incentives. Spring Renewal begins in April and is the time of the year when troops renew their memberships for the next year. A few weeks before Spring Renewal starts details will be provided about the incentives being offered if you renew your troop early. Determine if girls are not returning or going to a different troop. Notify your Community Membership Manager.
If you have a surplus of funds in the Troop Bank Account, discuss with your girls on how they would like to spend the money. (They may want to do a summer activity)
Complete the Troop Finance Report in the Volunteer Toolkit by June 1 st . o If you troop is disbanding a Finance Report is still required and notify your Community Membership Manager of this change.
Ask parents what roles they might consider helping with next year. It's an easy and fun way to be involved with their girl's Girl Scout experience. They get to watch firsthand as they become leaders.
 Share upcoming summer activities with families. Girls can participate even if the troop does not meet over the summer. Events Calendar for program details: http://www.gsmists.org/en/events/event-calendar.html Girl Scouts Love the Outdoors Challenge – Girls can earn a patch by participating in summer time activities.

• Talk to the girls and their parents about day camp or resident camp opportunities.
