

## Girl Scout Bronze Award Final Report

Girl Scout Bronze Awards are approved by the troop leader. The final report is completed once the project is finished and approved by the troop leader. Even if the project is completed as a group, each girl who completes her Girl Scout Bronze Award must complete the final report, not the troop leader. Please submit final reports for the same project as a group. Please type or print in ink.

Please submit the completed Girl Scout Bronze Award Final Report to [customer care@gsmists.org](mailto:customer care@gsmists.org).

**On another sheet of paper, answer these questions. Please write in full sentences and remember to answer each question completely. A minimum of five sentences for Question #1. A minimum of 2 sentences for Questions #2 - #9.**

1. Summarize your Girl Scout Bronze Award project from start to finish. A minimum of five sentences.
2. How did you decide what was needed in your community?
3. Who did your project help? Did you count the number of people impacted, the number of people involved, and the number of items collected/distributed/developed? This is a measure of your project's impact.
4. How do you think your project might be continued now that it is complete? This is sustainability.
