

Girl Scout Silver Award Final Report

Girl Scout Silver Awards are approved by the troop leader. The final report is completed once the project is finished and approved by the troop leader. Even if the project is completed as a group, each girl who completes her Girl Scout Silver Award must complete the final report, not the troop leader. Please submit final reports for the same project as a group. Please type or print in ink.

Please submit the completed Girl Scout Silver Award Final Report to customer care@gsmists.org.
