

Dear Parent/Guardian,

In this uncertain time, Girl Scouts provides a sense of normalcy for our girls and we are so glad your daughter is joining us this year. In the effort to keep the health and safety of all involved in our program as the top priority we are asking that you review this document, sign the bottom, and return it to your daughter's troop leader prior to the first in-person troop meeting or in-person activity your daughter participates in.

If after an in-person meeting or in-person activity, your daughter has a COVID-19 positive test result, do not contact the troop leader or troop members. Promptly contact GSMISTS Manager of Human Resources and Governance Stephanie Miletich, smiletich@gsmists.org, in this situation. She will help you with next steps.

Please return this section to your daughter's troop leader prior to the troop's first in-person troop meeting or in-person activity she participates in.

I will ensure prior to every in-person troop meeting and/or in-person activity that:

1. I have taken my daughter's temperature prior to the in-person troop meeting or in-person activity and she does not have a temperature of 100.4 degrees or higher.
2. In the last 14 days, my daughter has not been exposed to anyone who knowingly has COVID-19.
3. In the last 14 days, my daughter has not exhibited any of the following symptoms:
 - Fever or chills
 - Cough
 - Shortness of breath or difficulty breathing
 - Fatigue
 - Muscle or body aches
 - Headache
 - New loss of taste or smell
 - Sore throat
 - Congestion or runny nose
 - Nausea or vomiting
 - Diarrhea

COVID-19 is an extremely contagious virus that spreads easily through person-to-person contact. As with any social activity, participation in Girl Scouts could present the risk of contracting COVID-19. While Girl Scouts of Michigan Shore to Shore (GSMISTS) takes every safety and preventative precaution, GSMISTS can in no way warrant that COVID-19 infection will not occur through participation in Girl Scout programs, events, activities, etc.
