Every Cookie has a Mission

The Girl Scout Cookie Program is the largest girl-led business in the country and generates immeasurable benefits for girls, in our council and our community!

It's an integral part of the Girl Scout Leadership Experience, developing girl leaders of tomorrow by helping them obtain five essential leadership skills.

Goal Setting | Money Management | Business Ethics Decision Making | People Skills

Plus, troops retain a percentage of the price of each package to fund activities such as field trips and community service projects planned by the Girl Scouts.

Proceeds help GSMISTS deliver programming to the girls, provide training and materials for adult volunteers, and maintain local Girl Scout camps and properties.
