Art & Design Badge b

Brownie Girl Scouts will activate their imaginations in the galleries as they explore art and design objects on view, followed by a visit to the Creative Learning Center Studio, where they'll create artwork that explores elements, composition, and subject.

Art & Design Badge j

Junior Girl Scouts will explore the museum's galleries for inspiration from artwork and design objects on view. Scouts will then create their own works of art in the Creative Learning Center Studio while exploring subject, elements, and composition.

Comic Artist Badge c

Girl Scout Cadettes channel their inner comic book heroes and villains as they create their own comic strip story and drawings! Using GRAM's exhibitions as their inspiration, they'll design characters, settings, and narratives with the assistance of the Learning and Creativity staff.

Collage Artist Badge s

Collages have been around for hundreds of years as a unique art form. Girl Scout Seniors will explore several collages in GRAM's exhibitions and use this inspiration to create several works of art of their own, including a collage with a very special message.
