

NEWTON'S
ROAD

10850 E Traverse Hwy, Ste 4400
Traverse City, MI 49684

Newton's Road is an independent nonprofit organization dedicated to STEM-related learning for all youth in our Northwest Michigan region. Newton's Road resources and STEM kits are available to help girls work toward STEM badges

STEM Kits 

STEM Kits give all families, youth leaders and teachers free access to quality play-based activities designed to ignite the natural curiosity of children and grow their creative problem-solving abilities. Each kit contains a unique activity and teaches a different STEM skill.

FREE

Each kit serves 1-4 girls depending on activity

Up to 2 STEM Kits may be checked out for up to 2 weeks at a time. Check them out from your local library in the Northwest Michigan region.

STEM Finder 

Find hands-on experiences that incorporate STEM learning in Northwest Michigan: places to visit, youth camps, special programs, quality online options and more!

Visit the STEM finder [here](#) to discover northern Michigan STEM opportunities near you.

Career Investigator 

The Career Investigator by Newton's Road is designed for 8th-12th grade girl wishing to explore STEM-related careers in the northwest Michigan region and to also be a useful tool for parents, counselors, and other youth mentors that support their career journey in many ways.

Use the Newton's Road Career Investigator to work toward the Girl Scout STEM Career Exploration badges!
