<div>FARE Patch Program</div> <div>The Food Allergy Research and Education (FARE) is the world’s leading food allergy advocacy organization and the largest private funder of food allergy research. The Food Allergy Awareness Patch Program requirements give Girl Scouts the opportunity to learn about life with food allergies, with an emphasis on raising awareness of the public health issue, which impacts 32 million children and adults in the United States.</div>	The logo for dbjcsa, featuring the letters "d", "b", "j", "c", "s", and "a" in a colorful, playful font. Above the letters are several small green stars.	FREE	No Min No Max	Girl Scouts of all ages can complete this patch program by choosing and completing 4 of the 10 activities listed.
