### Mental Health Bags for Children's Hospitals

Developed by a GSMISTS Girl Scout, this patch program focuses on supporting long-term hospitalized patients who may struggle with homesickness or mental health. Earning this patch aims to reduce negative stigma around hospitalization as well as help those who may be suffering in the community. Support your local hospital by creating and donating bags!

Complete 5 steps to earn your patch:

1. Learn about mental health as well as their local hospital.
2. Decide which hospital is in the most need and what items they need
3. Decide how to gather donations
4. Purchase or collect all items
5. Donate!

First 100 Girl Scouts to earn the patch receive it free!

After that, a cost of \$0.50/patch and \$3 flat rate shipping charged.
