Think Like a Programmer Journey c s a			
CodeCampKidz will guide you step by step as you work through your projects. No experience or previous knowledge is required. When you finish your Journey you will have coded a Take Action Project of your choosing and earn your Journey award badges.	$20/girl	No min No Max	Think Like A Programmer badges are not included and can be purchases upon completion of online course.
You are free to come and go as your schedule permits picking up where you left off. All you need to participate is a modern browser, high speed Wi-Fi, and a computer with audio capability. You will have as long as you need to complete your Journey.			
Coding for Good: Coding Basics c s a			
Girls will be introduced to JavaScript and jQuery fundamentals in the form of specific examples. Each example will introduce girls to new code and techniques. In the process, girls will learn the basics of computational thinking and lay a foundation for building a live e-commerce application in the Applied JavaScript projects. $20/Girl no min no max Coding for Good badges are not included and can be purchases upon completion of online course.	$20/girl	No min No Max	Coding for Good badges are not included and can be purchases upon completion of online course.
Coding for Good: Digital Game c s a			
Learn about Responsive Layout Design to complete badge requirements. You probably experience Responsive Layout Design daily when you view pages on a Laptop, Tablet or Phone. Girls will learn how to use the professional Bootstrap JS Toolkit to design their pages from a "mobile first" perspective.	$20/girl	No min No Max	Coding for Good badges are not included and can be purchases upon completion of online course.
