

## Remembering September 11<sup>th</sup>, 2001

September 11<sup>th</sup>, 2001, happened over 20 years ago. Our Girl Scouts today were not yet born. Some of their parents were young children. We have created this toolkit to support Girl Scout leaders who want to work with their troop to remember and honor this day. As this topic is sensitive in nature, please remember to utilize our [Sensitive Issues Permission Slip](#).

### What happened on September 11<sup>th</sup>, 2001?

Four coordinated terrorist attacks carried out by al-Qaeda, an Islamist extremist group, occurred on the morning of September 11<sup>th</sup>, 2001.

Nineteen terrorists from al-Qaeda hijacked four commercial airplanes, deliberately crashing two of the planes into the upper floors of the North and South Towers of the World Trade Center complex in New York City and a third plane into the Pentagon in Arlington, Virginia. The Twin Towers ultimately collapsed because of the damage sustained from the impacts and the resulting fires. After learning about the other attacks, passengers on the fourth hijacked plane, Flight 93, fought back, and the plane was crashed into an empty field in western Pennsylvania about 20 minutes by air from Washington, D.C.

The attacks killed 2,977 people from 93 nations; 2,753 people were killed in New York; 184 people were killed at the Pentagon; and 40 people were killed on Flight 93.
