

Ludington Little House

Ludington Little House is located close to downtown Ludington and 1.5 miles from Lake Michigan. This Little House has been a meeting place for Mason County Girl Scouts for over 50 years. The original lot for the building was donated to Ludington Girl Scouts in 1953 by Mr. and Mrs. Fred Lagesen. The Little House was built later that same year. In 1960, Mr. and Mrs. Floyd Obel donated a second parcel to complete the corner lot.

The property has a picnic area, campfire ring, grills and space to pitch a few tents. The 20' x 40' cinderblock building is ideal for day use and overnights.
