In Partnership with the Greater Grand Rapids Women's History Council

Celebrate the 100<sup>th</sup> anniversary of the ratification of the 19<sup>th</sup> Amendment – the constitutional amendment that gave women the right to vote. GSMISTS honors this milestone with the Michigan 2020 Women's Right to Vote Centennial Patch. Girls can earn this patch by learning about the suffragists who fought for years for the right to vote. As they learn about the history of the suffrage movement, girls will also learn key lessons about how our government works, and how individual citizens can participate in government and make their voices heard. The Michigan 2020 Women's Right to Vote Centennial Patch is intended to be a catalyst for conversation and to encourage girls to learn more and take action to make the world a better place.
